

1997 and November 12, 1997, respectively, both of which are expressly incorporated by reference in the specification of the present application. It is respectfully submitted therefore that these drawings do not constitute new matter.

The Examiner is respectfully requested to contact the undersigned attorney with any questions in this matter.

In view of these amendments, it is respectfully submitted that this application is in condition for allowance. An early and favorable action on the merits is earnestly solicited.

Respectfully submitted,

KENYON & KENYON

TFN 980011

The diagram shows a circular structure with 12 points labeled H1 through H12. The points are arranged in a circle, with H1 at the top and H12 at the bottom. The diagram includes concentric circles, radial lines, and various labels like SY, SX, C1, C2, S0, S10, S3, and Roman numerals I, II, III, IV, V, VI, VII, VIII. Arrows indicate directions and specific points of interest.
